Sanitary Wares

Relax In Your
caesar

ABOUT

Established in 1985, **Caesar Sanitary Wares** is known as the leading sanitary ware brand in Taiwan and Vietnam. Its collection is comprised of various contemporary fixtures, such as, water closets, faucets, lavatories, art basins, bathtubs, shower components and bathroom accessories. Its eponymous name (**Caesar**) echoes through the brand's identity and products that adhere to continuous growth and development. With a determined and exuberant attitude, **Caesar** moves further into the future of sanitary wares equipped with the best it has to offer.

(Fine Fireclay) **FFC**

Caesar utilizes FFC or Fine Fireclay Technology to create bigger and slimmer designs by reducing shrinkage and deformation. It is also used to produce basins over 1.2 meters in length with ease, which gives customers huge freedom to imagine and designers to reinvent!

TECHNOLOGIES

FINE FIRECLAY FORMULATION
Edge, slimmer and modern design available with Caesar's Fine Fireclay formulation

NANO COATING
Nano coating technology partnered with TANIDA to provide antibacterial and anti-smudgy products
